

CALEB KNIGHT AUTHORS ARTICLE ON SOCIAL MEDIA POLICIES IN THE HEALTHCARE PRACTICE

Article August 12, 2015

Caleb Knight's article titled "Treating and Tweeting: Examining Social Media Policies in the Healthcare Practice" was published in *WV Physician*, a magazine for the West Virginia medical community. The article examines developments related to employee use of social media in the healthcare practice setting and recommends practical tips and guidance for healthcare employers worried about effectively and legally policing employee "sharing."
