

## BLUEFIELD REGIONAL MEDICAL CENTER AWARDED SUMMARY JUDGMENT IN FEDERAL COURT

Judge David A. Faber, Senior United States District Judge of the Southern District of West Virginia, recently granted Bluefield Regional Medical Center's ("BRMC") Motion for Summary Judgment in a medical professional liability case, dismissing the plaintiff's (remaining) claim against BRMC with prejudice. Judge Faber agreed with BRMC's argument that the plaintiff did not make a prima facie case of medical malpractice under the MPLA, as the plaintiff presented no expert testimony that the hospital's alleged breach in the standard of care was a proximate cause of the patient's injury or death. Plaintiff's entire case against BRMC was therefore dismissed with prejudice.

BRMC's Motion for Summary Judgment was written by Attorneys **Megan Bosak** and **Sam Fox**.

**Disclaimer:** Case summaries, reports of past results and individual lawyer biographies on this website describe past matters handled for clients of the firm. These descriptions are meant only to provide information to the public about the activities and experience of our lawyers. They are not intended as a guarantee that the same or similar results can be obtained in every matter undertaken by our lawyers. You must not assume that a similar result can be obtained in a legal matter of interest to you. The outcome of a particular matter can depend on a variety of factors—including the specific factual and legal circumstances, the ability of opposing counsel, and, often, unexpected developments beyond the control of any client or lawyer.
