

THE DISCOVERY DRAIN: HELP REDUCE YOUR LITIGATION COSTS WITH THESE DIY FIXES

Article September 2022

You've heard it before—discovery can be expensive and burdensome. Given that written discovery is one of the most significant expenses in litigation, it makes sense that discovery costs are a frequent complaint. Today's litigants are especially eager to reduce litigation costs in light of sky-high inflation across the board. But, discovery expenses don't have to be such a drain on your litigation budget. Proactively participating in your defense can help you get specialized, cost-effective legal representation *and* a better outcome. While every case is different, some simple ways to get more involved are applicable in most types of litigation and can help you stop the discovery drain.
